## Regional Trendsetter

CITYCENTER, the largest shopping center in Celje and the surrounding area, has been the No. 1 shopping center in the entire catchment area since its opening in 2006. The high-quality, modern architecture offers a pleasant shopping ambiance, and the particularly attractive, sunny rest areas invite visitors to linger. CITYCENTER guarantees shopping at its best. With a wide selection of trendy brands and diverse culinary delights on offer in the food court, all the cuisines of the world are brought together. After undergoing an attractive refurbishment of nearly 7,000 square meters in 2014, the center updated its offering through the addition of several new stores.
